

S-SERIES

# S50/S70

Great design.  
Clever technology.

Design is in the detail and the S50 and S70 both feature superb looks and clever technology inside and out.

With their pixel-perfect, huge widescreen, maps look crisper while text is clearer and the intelligent Day/Night display makes the S50/S70 even easier on the eyes. You can navigate to pictures with the built-in NavPix™ technology.

Route Traffic overview\*\* gives you an updated snapshot of your whole route, complete with any hold-ups on the road ahead.

And Bluetooth® hands-free calling and a handy Mileage Reporter clearly make the S50/S70 a safe, smart choice for personal or business use.

## S50

With detailed 3D maps for your region, and hundreds of intelligent and simple to use features, the S50 is ready to go straight out of the box.

## S70

Navigate throughout Europe with all the key features of the S50 plus pre-installed detailed maps of over 6 million miles of streets throughout 21 European countries.
