

## S-SERIES

# S90i

Navigation redefined.

With its clean lines and sleek finish, the S90i makes its mark as one of the best-designed and most innovative portable navigation devices in the world.

Intelligent features such as built-in Real-time Traffic and Route Traffic Overview let you know in advance what's ahead and safety features such as Text-to-Speech speaks road names as you approach a turn.

European maps are pre-installed, and with its critically acclaimed integrated NavPix™ camera, you can capture your favourite locations anywhere in Europe and navigate back to them anytime, simply by touching the photo. And the S90i's brilliant widescreen display means maps look crisper, text is clearer. Slim, light and complete with a foldable cradle, the S90i fits your life, perfectly.
